I Personal Sales

A. Retail Customers

**Retail Customer** – anyone who purchases Zurvita products from a Zurvita Consultant at the suggested retail price whether by personal contact or through the Consultant’s website.

**Preferred Customer** – anyone who commits to a monthly scheduled product purchase for a discounted price through the Consultant’s website.

**Sales to Retail and Preferred Customers**

One of the first things you’ll want to accomplish in your Zurvita business is to make product sales to Retail Customers and acquire Preferred Customers.

You can earn 20% commission on your personal sales when your customers purchase Zurvita products from your website.

- The personal sales commission of 20% for Zurvita customers will be paid monthly.
- Commissions are based on Business Volume (BV) for Zurvita products.
- You can choose ZurvitaPay or Direct Deposit in your Z-Center.
- Consultants can purchase Zurvita products in their Z-Center at a 20% discount but will not receive personal commissions. All other upline commissions (overrides) will be paid.
**Customer Loyalty Program (CLP)**

This program is designed to reward loyal Preferred Customers with a special product discount if they choose to participate when you acquire them. Customer Acquisition Bonuses (CAB) are paid as follows:

1. A $50 CAB is triggered throughout the week for each Preferred Customer you acquire who purchases an initial CLP (Weight Management Loyalty Pak). There are no overrides on the first month BV of a CLP. Your Preferred Customer then receives a loyalty discount on their monthly recurring order (70 BV) thereafter, as long as the customer remains loyal and does not cancel his/her order. For each time the customer’s product bills, you will receive a $14 personal sales commission, which is calculated at 20% of 70 BV.

2. A $30 CAB is triggered throughout the week for each Preferred Customer you acquire who purchases an initial CLP (Zeal Loyalty Pak). There are no overrides on the first month BV of a CLP. Your Preferred Customer then receives a loyalty discount on his/her monthly recurring order (45 BV) thereafter, as long as the customer remains loyal and does not cancel his/her product. For each time the product bills, you will receive a $9 personal sales commission, which is calculated at 20% of 45 BV.

Example 1.1 shows you receiving a $50 CAB within one week of acquiring a Preferred Customer who’s initial purchase is a Weight Management Loyalty Pak (WMLP). In the month following and thereafter, your Preferred Customer’s product will be billed and you will receive a commission of $14 each month his/her order ships. Note: There are no overrides on the first month BV of a CLP.

Zurvita makes no guarantees or projections of income, as such representations may be misleading. Your success depends on your effort, commitment, skill, leadership abilities, and how effectively you exercise these qualities.
B. Monthly Sales

Recurring Monthly Sales to Your Frontline Consultants:

You can also earn 20% commission on your recurring monthly sales to your frontline Consultants (prospects you personally sponsor) when they purchase their monthly Wellness Paks.

- The 20% commission for monthly Wellness Paks will be paid monthly.
- Commissions are based on BV for Wellness Paks.
- All frontline Consultants who purchase the Wellness Pak count for both first level (5%) and Sponsor’s personal level (15%) commissions to qualified Consultants.
- You DO NOT EARN commissions on your own Wellness Pak.
- There are NO commissions or BV on Website Only monthly purchases.

Business Volume (BV)

As you grow your Zurvita business, you move up in leadership ranks where minimum amounts of product volume are required to advance and maintain certain paid rank levels. Each commissionable product has a BV assigned to it. There are four types of BV:

1. Personal Business Volume (PBV) – volume accumulated through personal Zurvita wholesale purchases, personal monthly Wellness Pak purchases, personal Zurvita customer purchases (Retail or Preferred Customers) and personal first order purchases of a Quick Start Pak or a Builders Pak.

2. Team Bonus Volume (TBV) – volume accumulated from first order purchases of Builders Paks, Quick Start Paks and Wellness Paks from all new accounts with a shelf life of 30 days (the first 30 days of that order).

3. Group Business Volume (GBV) – volume attained through Zurvita Consultant purchases, Wellness Pak purchases, Zurvita Customer purchases (Retail or Preferred Customers) and purchases of Quick Start Paks or Builders Paks throughout your entire organization. This includes your Personal BV.

4. Qualified Group Business Volume (QGBV) – is the same as GBV but Qualified Group Business Volume is calculated toward the advancement in ranks for a Consultant using the 60% maximum per leg rule. Each frontline Consultant is a “leg”.

5. Monthly Commissionable Volume (MCV) – The sum amount of a Consultant’s first 8 levels of all orders that pay out a monthly commission during that monthly period. This excludes any Wellness Pak that is discounted on the G3 Program, any Consultant or Customer receiving free canisters, Initial Builders Paks and Quick Start Paks and Initial Preferred Customers, which pay out a weekly bonus.

(See Appendix for BV details, page 18)
C. Get 3 and Yours is Free (G3)

Our Get 3 referral program will allow you the opportunity to receive your Wellness Pak Canister for free the following month, plus tax and shipping. Other Wellness Paks can receive a $69.95 credit toward their next month's Wellness Pak draft.

Consultants

As a Consultant, in any month Enroll 3 Preferred Customers with Zeal and get your Wellness Pak Canister for free, plus tax and shipping.

If your Wellness Pak is anything greater than a Canister, for example a Zurvita Weight Management Program Pak, you will receive a $69.95 credit toward your next month’s order.

Customers

As a Preferred Customer on Zeal, for every 3 Preferred Customer orders referred by you, you get your next renewal for free.* This means you could get a free month with just one Preferred Customer on Zeal who renews 3 times. If your Preferred Customer account is anything different than a Zeal Loyalty Pak or Single Canister account, you will receive a $59.95 credit to your next monthly order.

There is no expiration. Limit 1 free Canister per month

“(See Appendix for the “Get 3" Program Requirements, page 19)”
II Becoming a Zurvita Independent Consultant

Zurvita offers individuals the opportunity to sell Zurvita products and attract others to the business opportunity to do the same. This simply requires the potential Consultant to complete an online application and agreement by submitting to the company for consideration.

Once a Consultant’s application has been accepted, along with a $35 enrollment fee, he/she will be considered a Zurvita Independent Consultant and will receive a Welcome Kit (U.S./Canada only) that has everything to get started. The Consultant is now eligible to earn commissions as outlined in this document. Also, upon acceptance, he/she will be provided with a unique ID number (Z-Number). This assigns the new Independent Consultant a “Z-Center.” The Z-Center is a powerful online administrative tool that accounts, reports, and communicates important information about his/her business.

Customers are able to enjoy Zurvita products by ordering online or they may purchase products directly from their Zurvita Consultant as needed.

Commissions and bonuses are earned from the sale of Zurvita products by Independent Consultants. Consultants are never required to make product purchases. Products are purchased by customers and optionally by Independent Consultants.

Our Unique Line of Nutritional Products Include:

- **Zeal**
  - Bold Grape
  - Tropic Dream
  - Wild Berry

- **Zurvita Protein**
  - Chocolate Delight
  - Vanilla Creme

- **Zurvita Burn**

- **Zurvita Cleanse**

### IV Commission Structure

#### A. Builders Bonuses* (BB) – Paid Weekly

This commission is paid to the Sponsor. This is triggered by the optional product purchase† when a new Consultant, who is sponsored by you, chooses a Builders Pak or a Quick Start Pak (these are also known as “Starter Paks”) at enrollment. There is an additional one-time enrollment fee of $35.00 that provides the Consultant with a Welcome Kit that is non-commissionable.

- A BB of $100 is triggered throughout the week when you sponsor Consultants who purchase a Builders Pak.
- A BB of $60 is triggered throughout the week when you sponsor Consultants who purchase a Quick Start Combo Pak.
- A BB of $50 is triggered throughout the week when you sponsor Consultants who purchase a Zeal Quick Start Pak.

*A BB is paid only on Builders Paks and Quick Start Paks. Each Sunday at 11:59pm (CST) that week is “closed” and is calculated and paid the following Friday, based on active business.

† This bonus is a one time commission paid on the first order of a Builders Pak or Quick Start Pak.

*COMMISSION PLAN 2.19.2016*
B. Customer All-Star Bonus

A Consultant’s 30 day clock will begin 5 days from their start date. Before the 30 day All-Star clock expires, if the new Consultant has personally enrolled 5 new Preferred Customers on Zeal, they will be awarded a $250 Customer All-Star Bonus. All eligible Preferred Customers must be active at the end of the 30 day period.

NOTE: The $250 Bonus will be clawed back from the Consultant if a refund is issued on any of the qualifying Preferred Customers.

(Only Preferred Customer accounts that contain Zeal will qualify a Consultant for this program.)

- The new Consultant cannot be a Preferred Customer under themselves to count for the bonus.

C. Team All-Star Bonus

A 30 day All-Star clock will begin 5 days after his/her Start date. Each new Consultant will have the opportunity to qualify for a one-time $800 Team All-Star Bonus before that 30 day All-Star clock expires. This Team All-Star Bonus is triggered when a Consultant achieves Customer All Star, then reaches 3,000 TBV before the 30 Day clock expires. (See Team Bonus Qualifications for details)

NOTE: Must be a MC the week the Bonus is triggered and cannot use more than 50% revenue in one leg.

D. Team Bonus

Consultants who do not achieve Team All-Star by the expiration of their 30 Day clock are still eligible to join the Team Bonus program. Just get the combination of 5 active Preferred Customers with Zeal and 3000 TBV at any time to trigger your initial Team Bonus and you’re in the program! From then on, you can earn a Team Bonus each time you accumulate 3000 TBV. Once a new Consultant has earned or expired the time frame for the All-Star bonus qualification, he/ she can then participate in other TB’s. You must be a MC the week the bonus is triggered and cannot use more than 50% (1500 TBV) in one leg. Once a Consultant reaches the rank of Executive Consultant, he/she cannot use more than 45% (1350 TBV) in one leg. An existing Consultant can qualify for a $400 Team Bonus each and every time his/her TBV reaches 3,000 TBV in new business. This accumulates from the Consultant’s entire organization. After your Initial Team Bonus is triggered, all Team Bonus Volume has a 30 Day expiration date.

(See Appendix for TB qualification details, page 20)
Zurvita Car Program

Here’s an exciting additional benefit to Team Bonuses. At any time when a Consultant reaches 3,000 TBV and triggers a TB, he/she becomes Z-Car qualified! It’s that easy.

Once the Consultant has submitted the appropriate paperwork, has been approved, and owns or leases a qualifying car, all subsequent Team Bonuses will be paid as a $600 Z-Car TB. The Consultant’s first TB of the month is determined based on the day the bonus is triggered.

(See Appendix for Z-Car Program Requirements details, page 21)

E. Overrides

Uni-level Overrides

Consultants can earn up to 8 levels of uni-level overrides in their organization based on their rank and qualifications.

- Any Consultant who you directly sponsor will be on your first level (frontline) in the downline structure. Any of your first level Consultants who sponsor their new Consultants will be on your second level, and so on.

- Once a new title has been achieved, the title is permanent, but you must maintain your PBV in order to be Commission Qualified for your monthly override commissions at that level. If you do not maintain your PBV requirements, you will be paid at the level at which your PBV qualifies you for that particular month.

Example: If you are a National Director, and your PBV is at 70, which is less than the 200 minimum required, you would be paid as a Regional Consultant five (5) levels for that particular month. If your PBV is less than 70 but above 0, you will be paid only on your personal level with no overrides beyond your first level.
Infinity Overrides

**As a Presidential Director (PD),** you can earn an additional 2% Infinity Overrides on active Zurvita customers and Consultants starting from your ninth (9) level down through unlimited levels to the next PD’s eighth (8) level.

**As an Ambassador (AM),** you earn the same as a PD above, plus an additional 2% Infinity Overrides on active Zurvita customers and Consultants starting from your ninth (9) level down through unlimited levels to the next AM’s eighth (8) level.

**As a 3 Star Ambassador (3SA),** you earn the same as a PD and AM above, plus an additional 0.25% Infinity Overrides on active Zurvita customers and Consultants starting from your ninth (9) level down through unlimited levels to the next 3SA’s eight (8) levels.

In order to achieve the rank of a 3SA, you must be an AM with 200 PBV, 150,000 QGBV, 50,000 MCV (levels 1-8) and have three (3) legs with at least one (1) active, qualified AM in the first eight (8) levels of each leg. This is a “paid as” Rank, meaning if you fall below the awarded rank you will be paid on the rules based on the rank you fall down to.

**As a 4 Star Ambassador (4SA),** you earn an additional 0.25% Infinity Overrides on active Zeal customers and Consultants starting from your ninth (9) level down through unlimited levels to the next 4SA’s eight (8) levels.

In order to achieve the rank of a 4SA, you must be an AM with 200 PBV, 150,000 QGBV, 50,000 MCV (levels 1-8) and have four (4) legs with at least one (1) active, qualified AM in the first eight (8) levels of each leg. This is a “paid as” Rank, meaning if you fall below the awarded rank you will be paid on the rules based on the rank you fall down to.

**As Crown Ambassador (CAM),** you earn the same as a PD and AM above, plus an additional 0.25% Infinity Overrides on active Zurvita customers and Consultants starting from your ninth (9) level down through your third (3) downline CAM’s eight (8) levels.

In order to achieve the rank of CAM, you must be an AM with 200 PBV, 150,000 QGBV, 50,000 MCV (levels 1-8) and have five (5) legs with at least one (1) active, qualified AM in the first eight (8) levels of each leg. This is a “paid as” Rank, meaning if you fall below the awarded rank you will be paid on the rules based on the rank you fall down to.

V Monthly Commission Process

You can build monthly income by selling Zurvita products and ensuring they remain in active status, as well as by the sale of Zurvita products to customers enrolled by Consultants in your downline potentially through unlimited levels.

- Personal Commissions, Overrides and Infinity Overrides will be paid on the 15th of the month following the month payment is received by Zurvita. In order to receive commissions on your personal and group sales you must be an active Consultant and meet the minimum qualifications according to your leadership position.
- You can choose ZurvitaPay or Direct Deposit in your Z-Center.
- A minimum of $20 total payout is required before commissions are released into your account.
- Commissions will not be paid out to any Consultant that cancels.
- Active Status - If a Consultant has either a paid website or PBV they are considered “Active.”

**IMPORTANT:** All Consultants will have 30 days from their start date to complete the Compliance Module. In the event the Compliance Module is not completed, your commissions may be held. You will receive 100% of your commission once completed.

Zurvita makes no guarantees or projections of income, as such representations may be misleading. Your success depends on your effort, commitment, skill, leadership abilities, and how effectively you exercise these qualities.
VI  Leadership, Promotion, Rank Bonuses and Recognition

A. Rank Bonuses & Pins

Rank Bonuses

When a Consultant promotes in rank, he/she will receive a bonus in the following denominations:

<table>
<thead>
<tr>
<th>Rank</th>
<th>Bonus</th>
</tr>
</thead>
<tbody>
<tr>
<td>Premier Consultant (PC)</td>
<td>$500</td>
</tr>
<tr>
<td>Regional Consultant (RC)</td>

<tr>
<td>Executive Consultant (EC)</td>
<td>$1,000</td>

<tr>

<tr>

<tr>

</tr>
<tr>
<td>4 Star Ambassador (4SA)</td>
<td>$7,000</td>
</tr>
<tr>
<td>Crown Ambassador (CAM)</td>
<td>$25,000</td>
</tr>
</tbody>
</table>

Consultants that promote to these ranks will be paid their bonus the following week.

If a Consultant has someone moved/placed directly under him/her, that GBV from the Consultant being placed will be included in promoting to the next rank but the bonus will be forfeited.

For example: If a Consultant has 1,000 GBV and is directly placed under a Consultant with 5,000 GBV, the 1,000 GBV will be included to promote to the next rank of PC (6,000 GBV) but will not be paid the bonus for that new rank.

Rank Pins

Senior Consultants and above will be awarded a title pin upon promoting to each leadership position within the Compensation Plan (refer to overrides chart, page 12). You must be present at any corporate convention to receive your pin.

ii. G3 Program Requirements

Consultant Requirements

- This program is for Consultants who are active and on a Wellness Pak.
- A Consultant who has three or more personally enrolled Preferred Customers with an autoship draft in a calendar month will receive their Wellness Pak for “free” for the next calendar month. Wellness Paks other than a Canister will receive a credit of $69.95 toward their next calendar month’s draft of Wellness Pak.
- Consultants who have not qualified for a G4 discount will be defaulted to the new G3 program. If a Consultant is currently earning a G4 discount and would prefer the G3 program, they may update this in their Z-Center.
- Existing Consultants currently receiving a G4 will be transferred to G3 program starting September 1, 2016.
- Eligible Personally enrolled Preferred Customer autoship orders must contain Zeal.
- Wellness Pak orders that are “free” or include a discount are still responsible to pay applicable taxes for inferred value, as well as shipping/handling costs.
- Commissions are not paid on free or discounted Wellness Paks.
- A Consultant may not use a Customer with a free or discounted Wellness Pak as one of their 3 personally enrolled Wellness Paks for their G3 program qualifications.
- Limit one free Canister/69.95 credit per month.

Customer Requirements

- This program is for a Preferred Customer with an autoship that contains Zeal.
- A Preferred Customer with an autoship that contains Zeal will earn a “free” month of autoship (or $59.95 if the autoship draft is higher) for every three drafts of a personally enrolled Preferred Customer.
- Start Date: February 22nd, 2016 will be the first eligible date for “free” or discounted order.
- Eligible Personally enrolled Preferred Customer autoship orders must contain Zeal.
- Discount applies to only one autoship order per month, per Preferred Customer.
- Preferred Customer orders that are “free” or include a discount are still responsible to pay applicable taxes for inferred value, as well as shipping/handling costs.
- Zurvita reserves the right to cancel a Preferred Customer deemed to have violated the policies and procedures.
- Free or discounted autoship orders are not commissionable.
- A Preferred Customer may not use a Preferred Customer with a free or discounted autoship as one of their 3 personally enrolled autoships for their G3 program qualifications.
- A G3 Qualified Preferred Customer may not earn more than one free order or discount per month.

Example: Brent is a Preferred Customer on a $59.95 Zeal Loyalty Pak autoship. Brent personally enrolls a new Zeal Loyalty Pak Customer. Brent has earned 1 out of the 3 credits for a free month. The customer redrafts the next month. Brent now has 2 out of the 3 credits needed for a free month. The Zeal Loyalty Pak Customer redrafts again the next month. Brent now has 3 credits and has earned 1 month of his Zeal Loyalty Pak autoship free.
iii. Team Bonus Qualifications

To qualify for the Team Bonus and All Star programs, a Consultant must have personally enrolled 5 Preferred Customers on Zeal. All Consultants prior to February 22, 2016 are grandfathered into the Team Bonus Program.

- A Consultant can qualify for a TB when their TBV reaches 3,000.
- TBV only counts for the upline at the time of enrollment for the new Consultant.
- The 3,000 TBV must be from first orders of Builders Paks, Quick Start Paks and Wellness Paks from all new accounts. Each account has a 30-day “shelf life” and will either expire or will be used toward a TB.
- Orders on an initial Team Bonus will NOT expire.
- To qualify for the TB you must be at least a MC by the end of the weekly pay period the week the Bonus is triggered.
- Consultants with the rank of MC through RC cannot use more than 50% (1500 TBV) from any leg. EC and above cannot use more than 45% (1350) from any leg. If a leg has maxed out, any TBV from new business enrolled in that leg after it has reached its maximum and before the Consultant qualifies for a TB, will carry over to the next TB qualification.

Example: John Doe has a leg that has reached the 45% maximum. That leg enrolls an additional 1,300 BV of new business before John Doe’s other legs qualify him for a TB. That 1,300 BV will count for John Doe’s next TB so long as it has not expired.

- TBV from an account can only be used for a Consultant and their upline one time (everyone has the opportunity to use it) in a TB. If your downline triggers a TB, it does not prevent you from using the same TB.
- Team Bonus Volume (TBV) carry-over applies to the ranks of Managing Consultant through Regional Consultants. All new TBV that comes in after you reach your weekly maximum number of Team Bonuses and before the end of the week will carry over to the next week.
- When a Consultant has 2,950 of TBV and the next piece of new business in that leg is a Builders Pak, the total is then 3,450 TBV; only 3,000 TBV will count for the Consultant and the other 450 TBV will not carry over in the next qualification because it is attached to a piece of business that made up the 3,000 TBV.
- Any new business enrolled after a Consultant reaches the weekly cap and before the end of the business week will not count for future Team Bonuses.
- If a TB is paid out and then some of the BV used for that TB is refunded, we will deduct the full amount of TBV from the next TB qualification.
- We reserve the right to limit the Team Bonus Commission paid to 65% of the previous business weeks’ Company Qualifying Revenue on the TBs for the weekly commission. If the TB plus the BB for the weekly are more than 65% of the previous week’s Company Qualified Revenue, we will payout the TBs as follows:
  - $800 All-Star TB paid in full.
  - First TB of the month for a Consultant ($400 Team Bonus or $600 Z-Car TB) paid in full.
  - Prorate the remaining Team Bonuses by calculating the remaining Qualifying Revenue and dividing by the number of outstanding shares and paying the remaining shares of that amount.
- Every Sunday at 11:59pm CST, we will calculate all TBs earned for the week. Payment of TBs will pay on the weekly commission run after the close of the business week the TB was earned.
- The maximum number of Team Bonuses a Consultant can earn per week are as follows:
  - MC – PC = 1 Team Bonus
  - RC = 2
  - EC = 3
  - ND and PD = 4
  - AM, 1 Star and 2 Star = 5
  - 3 Star - Crown Ambassador = 8
iv. Zurvita Car Program Requirements:

- You may purchase or lease a black Mercedes, Cadillac or BMW.
- The payment will be for the contract term whether new or used.
- Used car specifications:
  1. Mercedes must be 10-years-old or newer at the time of purchase.
  2. BMW must be 7-years-old or newer at the time of purchase.
  3. Cadillac must be 5-years-old or newer at the time of purchase.
- As a Regional Consultant, you have the ability to leverage the Assurance Provision. If for any reason you do not trigger a TB in any given month, you may notify Zurvita and request your $600 Assurance payment. You must request this by sending an email to documents@zurvita.com. See Assurance details in Car Program Rules document.

v. Specification for Sponsor & Placed Enroller

The system default for every Consultant who sponsors a new Consultant is for the new Consultant to be placed in the frontline, or directly under the sponsoring Consultant. In this normal Zurvita business situation the sponsoring Consultant is also identified as the Enroller. However, Zurvita Consultants have the ability to place that individual under a different Consultant (referred to as the “Enroller”) in their downline.

- A Consultant can be considered both Sponsor and Enroller, or that Consultant can choose to sponsor the new Consultant and place him/her under someone else in his/her downline.
- There will be 2 separate genealogies tracked in the system – a Sponsor Tree and an Enroller Tree.
- TBs, level 1-8 Overrides, and Infinity Overrides will follow the Enroller Tree.
- In the case of the monthly Wellness Paks, the Sponsor will receive the Personal Sales Commission (15%), and the Enroller will receive the Level 1 (5%) Override.
- The one-time BB will be paid to the Sponsor.
- Rank Promotions will be determined by the Enroller Tree.
- Consultants can track their downline Consultants in both their Sponsor Tree and their Enroller Tree in their Z-Center.
- A Sponsor has 60 days from the active date of the new Consultant to PLACE them under someone else in his/her downline or until the new Consultant to be placed accumulates 5,000 in GBV or 5,000 in TBV, whichever comes first.
- If a Consultant has someone moved/placed directly under him/her, that GBV from the Consultant being placed will be included in promoting to the next rank but it will forfeit the bonus.
  
  **Example:** If a Consultant has 1,000 GBV and is directly placed under a Consultant with 5,000 GBV, the 1,000 GBV will be included to promote to the next rank of PC (6,000 GBV) but will not be paid the Rank Bonus for that new rank.
- The Sponsor will forfeit any TBV that has already been accumulated by the new Consultant being placed.
• A new Consultant can only be placed once.

Example: Joe is a SC and he SPONSORS Sam. Sam purchases the Builders Pak. Joe PLACES Sam under Jill. Jill is on Joe’s third (3) level, making Sam on Joe’s fourth (4) level. Sam has the Wellness Pak monthly product.

Joe gets:
• The BB based on the Builders Pak that Sam purchased.
• Joe gets the Personal Sales Commission (15%) on Sam’s Wellness Pak each month.
• Joe also gets Level 4 (5%) Overrides each month on Sam’s Wellness Pak.

Jill gets:
• Level 1 (5%) Overrides each month on Sam’s Wellness Pak.

vi. Dynamic Compression & Roll-up

At the end of the month, if a Consultant drops below 70 PBV, that Consultant will receive an email stating he/she will not be paid overrides beyond their first level and will only be paid commission on personal sales. If that Consultant remains below 70 PBV for the following month, the organization is dynamically compressing for commission purposes for the monthly commission pay period. We will pay out commissions that month as if a roll-up had occurred.

The first month the Consultant reaches 70 PBV the compression will be lifted and the Consultant will be paid according to his/her qualified rank with no compression.

Active Status - If a Consultant has either a paid website or PBV, he/she is considered “active.” If a Consultant chooses to cancel, his/her downline will roll up and be forfeited to his/her active upline Consultant.

Inactive Status – If a Consultant does not have a paid website and has 0 PBV for one month, the Consultant will be placed in an “inactive status” and will not be paid commissions. The Consultant will not lose their organization to the roll-up rule during this time, but his/her organization’s commissions will compress the following month. Inactive Consultants will have their organization compressed for commission purposes, but not have their organization roll up unless they choose to cancel.

vii. Chargebacks and Clawbacks

When a bank forcibly reverses a credit card transaction, returning funds to the cardholder, it is known as a Chargeback. Chargebacks are usually issued when fraudulent purchases have been made on a person’s credit card. When Zurvita receives notice of a chargeback notice, the account in which the service was purchased is immediately blocked, and all related services in the account are terminated.

In the interest of caution, Zurvita considers chargebacks to be the result of fraud and suspends all accounts until the issue is addressed.

When a Consultant receives a commission on any Zurvita product, they are subject to a clawback of any “unearned” commissions if the membership receives a refund at Company’s discretion. Clawbacks will be deducted from any future commission checks until clawbacks are relieved. Bonuses received by Consultants are subject to a 100% clawback due to fraudulent business or unethical activity.
viii. Cancellation

An annual renewal fee of $25 is due on the anniversary date of acceptance of the Zurvita Independent Consultant Agreement. This fee is waived if the Consultant has a minimum PBV of 1,000 combined over the previous year. Consultants that do not have a combined PBV of 1,000 for the previous year and are not renewing by the renewal date shall be deemed to have voluntarily cancelled their Independent Consultant relationship with the Company. Commission and BV are not paid on the $25 Fee. Because a Consultant has paid the $25 annual fee, he/she cannot be cancelled during his/her first 12 months unless Zurvita terminates the Consultant or the Consultant requests to cancel. If the Consultant is drafted the recurring $25 annual fee (if required) and the draft fails, the Consultant will be cancelled. When a Consultant cancels, commissions will no longer be paid to that Consultant.

Any Consultant may cancel in writing (via fax or U.S. Mail) within 3 days of the date of enrollment or the date the Independent Consultant Application and Agreement is received at Zurvita and will receive a full refund. Consultants in Canada may cancel in writing (via fax or mail) within 10 days of the date of enrollment or the date the Independent Consultant Application and Agreement is received at Zurvita and will receive a full refund.
ix. Income Disclosure Statement

Zurvita is dedicated to meeting all legal requirements and to following our industry’s best business practices. In order to protect the legal standing of the Company, and protect our Independent Consultants from making unsubstantiated financial claims, which might result in a violation of pertinent laws and regulations, we have developed the Zurvita Income Disclosure Statement (“IDS”). The Zurvita IDS is designed to convey truthful, timely, and comprehensive information regarding the income that a Zurvita Independent Consultant might potentially earn.
